## SINGLE TAX

The Single Tax meeting, which was held at the Robinson home, on North Maryland Avenue, Saturday evening, was very well attended. Mrs. Martha Y. Salyar was one of the speakers of the evening. Music was furnished by J. D. Clark and Mrs. Vivian Webb. The next meeting will be held at the Webb home, 115 East Elk Avenue on Saturday evening, November 29th.

## THE ELKS

Exalted Ruler Captain Strohme, who was second in command of the Lost Battalion, together with the officers of San Bernardino Lodge of Elks, visited Glendale Lodge on Monday evening and performed the initiatory exercises on 17 candidates. Exalted Ruler Cheeseman and 350 members of Pasadena Lodge were also present, including delegations from Van Nuys and San Fernando.

Judge Goodfellow, of San Bernardino, delivered a fine patriotic address. The Thrift Stamp Drive of which Past Exalted Ruler Albert D. Pearce has charge for the Southern California District, resulted in the Lodge subscribing for the limit set by the Government for any organization, which is \$1000.00.

A banquet was served after the meeting, followed by a cabaret entertainment, which included songs by E. R. Rowe, four Hawaiian ukelale players and a moving picture.

## HIGH SCHOOL P. T. A.

The regular meeting of the High School P. T. A. was held in the cafeteria of the school on Wednesday afternoon with President Mrs. G. U.

Moyse in the chair. The speaker of the afternoon was Hartley Shaw, trustee of the High School, who told of the needs of the school. Mr. Shaw stated there was an increase since the erection of the buildings in 1915 of 80 per cent. in attendance. In the number of teachers employed there had been an increase of 60 per cent, with no more room than formerly in facilities. There has been a heavy increase in enrollment each succeeding year with

There is need of an auditorium which will seat 2000 persons, in which graduation exercises can be held and the music and dramatic departments may be placed. There is also the necessity of a Science Building and a central heating plant which will be an economical method of heating the buildings.

Mr. Shaw also discussed the advisability of purchasing the lots between the High School and Brand Boulevard. In the last two years Glendale has grown more in High School attendance than any other suburban city, is a statement that has been made by Mr. Shaw.

Fifty new members were enrolled during the afternoon and all were enthusiastic in praise of the effort toward construction that is always being put forth by the P. T. A.

Tea and waffles were served by the girl students during the social half hour preceding the meeting.

## FEDERATION P. T. A.

The regular meeting of the Glendale Federation Parent Teacher Association was held on Monday, November 17th, at the Intermediate School, with President Mrs. A. A. Barton in the chair. Mrs. M. E. Plasteror was elected by the Executive Committee

to the office of Treasurer, left vacant by the resignation of Mrs. Brown.

The report of the membership chairman was read by Mrs. Barton giving the number of members to date not including the Intermediate school, as 1022.

The Federation voted to send a vote of thanks to Patriotic Chairman, Mrs. E. B. Moore, in appreciation of the splendid service rendered toward the success of the Armistice celebration.

President Barton stated that Mrs. Blackburn, as City Welfare Worker, will have an office at the City Hall, where she will be stationed three days in the week, and that the store room for supplies which is near the City Hall would be open on Thursdays.

Mrs. Barton also spoke of the Welfare Council to be organized, and \$5 membership fee was voted in the event such organization plan was carried into effect.

Supervisor White announced the drive for children's wearing apparel, which the Intermediate School will undertake for Serbian relief. Mrs. Barton requested that those having salvage to dispense, to send it to the Red Cross Shops, as one half of the proceeds of the shop's revenue will be used for local relief.

Mr. White, in the name of the American Legion (although he stated unofficially) thanked the Federation for their part in the celebration to the Service Men, and made the suggestion that the Federation and every other organization which is patriotic, draw up a set of resolutions to be sent to Governor William D. Stephens stating our satisfaction with the Government, as it is the best on earth. It was voted that the Patriotic Chairman draw these resolutions.

## TRUSTEES PROCEEDINGS

The Board of Trustees held their regular meeting on Thursday night, all members being present. The minutes of the last regular meeting were read and approved.

A delegation of about fifteen citizens, residents of the Grand View District, was present and Mr. Elverson addressed the Board in reference to the needs of the Grand View territory, particularly in regard to electric lighting. Certain matters in regard to that district having been referred to the City Attorney, his report upon the same was taken up in this connection and read. The report stated that in regard to the case now pending in the Supreme Court affecting the validity of the proceedings by which the Grand View territory was annexed to the City of Glendale, may possibly not reach a decision for several months. The territory however in the meantime is under the jurisdiction of the City of Glendale for municipal purposes, and will be subject to municipal taxes for the present year. Under the law, a lien for county taxes attaches against all property as on the first Monday in March of each year. Consequently the property in that territory will be subject to county road tax, these facts raising the question of double taxation, similar to that which applied to the annexation of the Arden Avenue and Kenilworth District last year. The communication of the City Attorney stated further that under the law the Board of Trustees have no legal right to refund these taxes, but that suit might be brought by any citizen interested which would enable the Board of Trustees to refund the money without incurring personal responsibility. In the opinion of the City Attorney, the annexation does not affect at the present time, the boundaries of exist-

ing school districts. In the opinion of the City Attorney, the judgment of the Superior Court which decreed that the proceedings were in all respects valid and legal, will be affirmed by the higher court when the case is heard. The Chairman of the Board assured the committee that it is the disposition of the members of the Board of Trustees to do everything possible toward providing the citizens of the Grand View District with the services of our public utilities and that with this idea in view an attempt will be made to work out a plan by which light ser-

vice may be furnished to that territory in the near future.

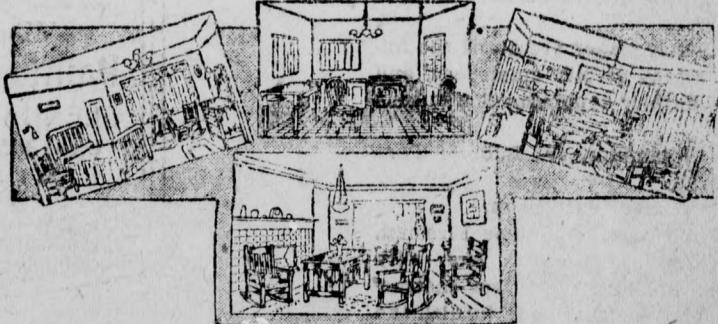

The following communication was presented to the Board:

November 13, 1919.

"To the Honorable Board of Trustees, City of Glendale, California.  
Gentlemen—

At a regular meeting of the Glendale Post, No. 117, American Legion, held on Nov. 13th, 1919, the enclosed preamble and resolutions were adopted: and WHEREAS, a similar unfortunate occurrence might at any

J. H. Heinmiller, sr., Laborer Forestry Dept.

Frank Kiefer, Patrolman.

Howard Crane, Volunteer Fireman.

On recommendation of the City Manager, the City Clerk was instructed to advertise for bids to furnish the

Public Service with a load of poles.

The request of M. J. McNaughton for the removal of a pole on San Fernando Road at Colorado, was denied.

Permission was granted Mr. Belcher to remove trees in front of his property on Colorado Street, all Trustees voting in favor.

An ordinance was adopted by the Board of Trustees establishing a uniform license of ten dollars for every vehicle engaged in auto passenger transportation service.

meeting held in Los Angeles where the question was discussed of expediting the construction of the good roads in Southern California, as provided for in the \$40,000,000 bond issue voted last July. After some discussion relative to ways and means of co-operating with the good roads committee of the County, the following resolution was adopted.

"Whereas for some time it has been apparent that something must be done to hasten the work of highway construction and insure for Southern California the roads provided for in the State bond issue of \$40,000,000, and

"Whereas the roads leading north to Owens Valley, to the east through Mecca and Palo Verde Valley to Phoenix, and through the Needles to Northern Arizona, and a connection to the Imperial Valley are considered of paramount importance to Glendale and neighboring country, Therefore be it resolved by the Glendale Chamber of Commerce,

First: To urge the immediate construction of all roads in Southern California provided for under the State Highway bond issue.

Second: To have expended on each road the amount of money appropriated for that road, and to oppose any

diversion of funds from one road to another."

The Glendale Chamber of Commerce will also assist the Associated Chambers of Commerce in bringing the necessary pressure to secure immediate action by the State Highway Commission.

O. A. Lane, chairman of the committee appointed to consider a propo-

sition to locate a cannery in Glendale reported a number of details yet to be investigated.

Thirty-two new members were added to the roster at the meeting.

Regular meetings of the Board of Directors are held weekly; regular meetings for the membership will be held monthly, beginning Tuesday evening, December 2.

## Jottings By The Way

By The Rambler

Well, every day is moving day—for some one.

Prof. Jas. Gerard and wife have come back to Tropico after a short absence.

Everything that goes up must come down—except, it seems, H. C. L.

H. J. Stadler is a busy man these days.

We scarcely need a watch or alarm clock in Tropico. The Tile Company's whistle does the bizness.

C. W. Smith expects to sell his home on the S. F. Rd. and Ross Ct. and move away.

Miss Helen McNeely who has been at Minneapilos for some time is at home.

Don't worry. For every ill theres a pill. If there is none, forget it.

The Beauchamps lately from Oklahoma have purchased a home at 1210 So. Glendale Ave.

The A. B. C. man is as slippery as a crosseyed eel. He returned this week to examine George's wienerworst business. We never sausage a fellow.

R. B. Jones has moved into his new home on Brand Blvd.

C. Porter Johnson has opened up a fruit stand and cider mill on the S. F. Rd.

Keep your credit good.

Why not buy some of those Christmas presents now. The pickin's mighty choice at this time.

Why move away? Better place to live? There ain't no such animule!

## THE CHEERFUL CHERUB

I'm simply as wretched as mortal can be.  
I bet when I'm rich with an automobile  
I'll look back and pity this poor little me.
